

BADLESMERE PARISH HALL MANAGEMENT COMMITTEE

CONDITIONS OF HALL HIRE AND BOOKING FORM

Please sign and return one copy of the Booking Form (one page) to the Bookings Manager:
Ian Earl, South View, Ashford Road, Badlesmere Lees, Faversham, Kent, ME13 0NZ
mobile: 07759 826633, email: ian_earl@btinternet.com.

The attention of the Hirer is drawn to these conditions and to any instructions posted in the Hall. Failure to comply may result in the forfeiture of the deposit and refusal of this or future lettings.

Every event must have a Responsible Person who will be present on the day. It will be assumed that this is the hirer unless the Bookings Manager is informed otherwise.

Regular users are invited to provide a representative for the Hall's Management Committee. An occasional special event may require the cancellation of a regular user session.

The Hall is located about 240m down a private road (beware its state of repair) south east from its junction with the A251 at the north end of Badlesmere Lees. The Post Code is **ME13 0NX**, and its what3words location is '**skins.boardroom.scouts**' (useful if the emergency services are called).

As there is no telephone at, or public telephone box near, the Hall, the hirer must ensure that he/she brings a mobile phone in order to call the emergency services if the need arises. As there is very little signal inside the Hall, you should attempt to make calls only when outside.

Please note that the refurbishing of the toilets begun in 2025 will continue in 2026. Until completed there will be limited facilities. Bookings will continue to be taken but do talk to the Bookings Manager if you are concerned that the work may affect your use of the Hall.

1. WHAT IS (and isn't) INCLUDED IN THE HIRE OF THE HALL

For the basic hourly or session rate, the hirer may have full use of the Hall (excluding the stage), including lighting, tables and chairs (stored on trolleys), the water heaters, and the kitchen. The latter includes crockery and glassware, two jug kettles, two microwave ovens, a fridge, and a dish washer (tablets provided). To have use of a Burco urn, the two hobs and two ovens, an extra fee is charged. To use the wall heaters in the main hall pre-paid cards are required.

Use of the stage and any equipment or furniture stored on it or behind the curtains is only permitted with prior permission from the Bookings Manager. There is no broadband/wifi available.

There is a Disabled Toilet as well as Ladies' and Gents' toilets. While the refurbishment continues, the Ladies' may be closed or not fully functional. Please use the Disabled Toilet as an alternative.

There is a car park of limited capacity – see below.

2. MAXIMUM CAPACITY

Fire & Safety Regulations limit the number of people in the Hall to:-

Closely seated audience	80 persons
Dancing	80 persons
Functions utilising seating at tables	54 persons

3. CHARGES FOR HIRE

The hire charges are calculated as per hour or part thereof (the minimum is 2 hours) for small meetings (few people attending/few facilities required). Large meetings, such as Parties or Quiz evenings, are subject to session rates (5-hour, 8-hour or 12-hour) charged currently at the same hourly rate. A 12-hour hire allows access to the Hall over 24 hours, typically to allow the clear up to

be performed the morning after. Please tell the Bookings Manager if you want 24 hours. Large meetings also entail a contribution towards the cost of cleaning the hall (see the Booking Form for the current rate). For commercial hire, please contact the Bookings Manager.

The hire period must include any time required for setting up and clearing up. See the Booking Form for the extra charge that allows use of the Burco/hobs/ovens in the kitchen.

Regular hirers may be offered a discount.

A booking is provisional until payment, including the deposit (see below), is received by the Bookings Manager, and the booking confirmed. Delivery or collection of equipment outside the period of hire is at the Bookings Manager's discretion.

4. HEATING THE HALL

The hall's wall heaters are controlled by three switches in the kitchen and paid for by placing pre-paid cards on the front of the dedicated meter next to the switches. Cards, with values of £1 or £5, may be purchased prior to your event, on a sale-or-return basis. Each card costs its face value plus 50p (the cost of recharging it). £1 of electricity lasts for about 20 minutes with all three heaters on.

5. DEPOSIT

A deposit is required on booking and may be forfeited if the booking is cancelled within one month of the hire date. The deposit will be banked and only refunded if no damage or loss has occurred. Any refund will be made as soon as possible after your event.

6. KEYS.

Keys must be collected from and returned to the Bookings Manager at the times and places agreed.

7. HEALTH AND SAFETY

The Hirer, during the letting period, has a duty of care for the safety of all persons on the premises by maintaining the premises in a clean and safe condition, and by assessing the risks arising from any activities to be undertaken and taking appropriate action to avoid such risks. Do not block access to the emergency exits, of which there are two: the main entrance and through the toilets.

The Hirer is responsible for evacuation in the event of fire and must, at the event, have drawn to the attention of all persons attending the location of the fire exits and the assembly point on the private road immediately outside the Hall. In the event of a fire manual warning bells are provided at the main entrance door to the Hall and by the side of the stage on the way to the toilets. Fire extinguishers are easily visible at either end of the main hall and in the kitchen. Following evacuation, please check the Hall to ensure no one remains in the building, and inform the Fire Brigade, Police and Bookings Manager.

Smoking and vaping are not permitted in any part of the Hall.

Highly flammable substances must not be brought into the Hall, and no decorations are to be put up close to sources of heat, such as filament bulbs and the hall heaters. If candles are to be used they must be placed in suitable, stable, heat-proof containers, and positioned only on tables.

8. PORTABLE ELECTRICAL EQUIPMENT

Any electrical equipment brought into the Hall for use by the hirer must be safe, in good working order, and used in a manner in accordance with the Electricity at Work Regulations, 1989. Freestanding electric heaters are not permitted in the hall. The hirer must check that the electricity supply is appropriate for any equipment that is used, and that the equipment will not endanger, overload or damage the electricity supply or any of its components. Commercially provided or hired equipment must be in-date PAT tested.

9. DAMAGE TO THE HALL

Any damage caused to the Hall or its contents, or any loss of contents belonging to the Hall during a letting, must be paid for in full by the Hirer. If the Management Committee incurs any additional expenditure as a result of the Hirer ignoring or disregarding these conditions, the Management Committee reserves the right to retain the deposit. The Committee accepts no responsibility for the loss or damage of any property at any function for which the Hall is being used, or of any vehicle (or property therein) that is parked on Village Hall or neighbouring land.

10. ACCIDENTS

The hirer must report to Bookings Manager all accidents involving injury to the public and complete the relevant section in the Hall's accident book, which is kept in the kitchen.

A serious accident or injury has to be reported to the Health and Safety Executive as a RIDDOR Report. To assist with this, all serious incidents, i.e. those resulting in a person's death or a person requiring hospital treatment (except when a person is taken to hospital purely as a precautionary measure), must be reported directly to the Bookings Manager.

11. WATER and WATER HEATERS

The mains water supply is turned off between hirings. Please turn it on at the stopcock located in the righthand cubicle in the ladies' toilets, and off again at the end of the hire.

There is a water heater in the kitchen and two in the toilets. They are normally off so if hirers wish to have hot water they need to be turned on (and off at the end of the hire). The one in the kitchen is switched on at a switch between the sinks and the hobs; the toilets water heaters' switch is near the light switches by the main entrance. It takes about 20 minutes for the water to heat up.

12. ENTERTAINMENT LICENCE and NOISE LEVELS

The Hall is licensed for music and dancing from 9.00am until 12.00 midnight Mondays-Saturdays inclusive, and until 10.00pm on Sundays. The Entertainment Licence excludes commercial events.

The Hirer must ensure that the noise level of music and entertainment in the Hall is kept to an acceptable level for local residents. All music must finish by midnight (10.00pm Sundays). Music must not be played in the Hall grounds. Bonfires and fireworks are not permitted.

13. ALCOHOL and DRUGS

This booking is taken on the basis of there being no sale of alcohol. The Hall is not licensed for the sale of alcohol and if you wish to sell alcohol on the premises, the prior consent of the Management Committee must be obtained before giving the necessary Temporary Events Notice (TEN) to Swale Borough Council and the Kent Police. As there is a statutory limit of twelve TEN's per annum, such consent may not be granted. If a TEN is given without the consent of the Management Committee, the booking may be cancelled.

The hirer must ensure that steps are taken, if necessary, to avoid excessive consumption of alcohol, to avoid anti-social or criminal behaviour. Alcohol must not be served to any person suspected of being drunk or under the age of 18. No illegal drugs may be brought onto the premises.

14. EQUIPMENT

No equipment belonging to the Hall may be taken outside or removed from the Hall without prior permission.

15. NO ALTERATIONS

No alterations or additions may be made to the Hall or its fixtures and fittings without prior approval of the Bookings Manager. Temporary decorations are acceptable, subject to fire and safety considerations (see above), but all must be removed at the end of the hiring. Do not leave pieces of Sellotape on any of the walls, tables, etc.

The use of drawing pins, staples or nails is strictly forbidden (except on notice boards).

16. PARKING

Cars may be parked on the hard-standing opposite the Hall and on the grass, if necessary (and weather permitting), before the Hall. Do not park beyond the Hall (a notice indicates where this applies), and do not encroach on or obstruct the lane. This is to ensure that access to neighbouring private properties by any vehicle, including large agricultural and emergency vehicles, is maintained.

17. RIGHT TO REFUSE HIRE

The Management Committee has the right to refuse any application for the hire of the Hall or to refuse admission to any individual without assigning any reason.

18. RIGHT OF ENTRY

All members of the Management Committee have the right of entry to the Hall at all times.

19. INSURANCE

The Hall's insurance policy covers public liability of any organization or person using the Hall to an amount not exceeding ten million pounds subject to the terms and conditions of the policy, except that there is no cover where such use is for commercial purposes. Hirers wishing to use the Hall for commercial purposes must have their own public liability insurance.

Hirers bringing property onto the hall premises must obtain their own insurance cover for it, if required, as the Hall's policy does not cover property not belonging to the Hall.

20. HOW THE HALL MUST BE LEFT

After a function the requirements of the **End of Session Checklist** (see separate sheet below) must be adhered to. These state, but are not limited to, the following:-

The main hall and the kitchen must be left in a clean and tidy condition with the floors swept or hoovered. The chairs and tables must be returned to their trolleys, and the trolleys parked near the main entrance.

Crockery and utensils in the kitchen should be washed and returned to the drawers and cupboards. If the dishwasher is used, please inform the Bookings Manager if crockery, etc., is still in it when you leave. Cleaning equipment is kept under the sinks. Rubbish bins and bin bags are provided. Non-recyclable waste must be bagged and placed in the green wheelie bins outside the Hall. Recyclable waste, such as paper, cardboard, bottles and cans, must be placed in the blue wheelie bin (not bagged). Please empty the waste bins in the kitchen if full or nearly full.

All lights, inside and out, the hall heating, and the water heaters (in the kitchen and toilets) must be turned off. (The outside light on the telegraph pole is activated by a PIR detector and is permanently powered from within the larger storeroom.)

Turn off the water at the main stopcock in the toilets unless the dishwasher is still in action.

No hirer's equipment may be left in the Hall or its grounds at the end of the letting period without the express prior permission of the Bookings Manager.

On departure, all windows and internal doors must be closed, and the outside doors must be closed and locked.
